TIME TO GO BACK TO SCHOOL

The days are getting shorter, nights are getting longer, and the Hawkeyes swarming Kinnick is right around the corner. That means soon our Iowa Delta brothers will be back on campus! Over the summer, brothers spent time studying abroad, having reunions, interning, and working. Our members are excited to get back to campus and continuing to improve and advance Iowa Delta! Our petition to charter is currently out, with the board having approved the petition and waiting on the votes of chapters. The proposed recharter date is September 29th. If approved, invitations will be sent out to a guest list, which includes alumni, family, nearby chapters, FSL heads, and more. We thank everyone for their support, encouragement, and advice during the recharter process. As always, proud to be a Phi Kap!

Phi Kappa Theta is a fraternity founded in 1959 upon five pillars: Brotherhood, Social, Spiritual, Leadership, and Intellectual. At Iowa Delta, we are a close knit group of brothers working together to become the ideal gentlemen. Whether playing paintball, working with United Action for Youth, having socials with sororities, or hosting our annual Flapjacks with the Phi Kaps, our brothers are always working together to create a close friend group, connections, and everlasting memories, all while becoming the ideal

PHI KAPPA THETA IMPACT 2018 NATIONAL CONVENTION

August 2nd through August 5th, brother and VP of

Fraternal Nicholas Reid spent his time at this summer's Phi Kappa Theta National Convention, Impact '18. Over the time, Nic learned valuable traits on how to create the greatest impact he could on the world around him, along with how to be the best leader he can be and overall improving the fraternity. Valuable connections were also made with alumni, other chapters, and executives. He said

**"THERE IS A DIFFERENCE
BETWEEN LISTENING AND
HEARING"**

- NIC REID, VP OF FRATERNAL

one of the highlights of the trip was a long QNA between collegiate brothers and Ali Soufan, a former lead FBI agent involved in many high-profile anti terrorism cases, including 9/11. He has written a *New York Times Bestseller* and a new HBO TV series, *The Looming Tower*, includes a character who plays him and his involvement in the FBI during 9/11. Nic has described this trip as one of the best

weekend of his life, with many

valuable lessons being learned, endless connections made, countless new stories with other brothers, and a revolutionized ideal on leadership. Nic says that some of his greatest takeaways are

knowing when to stop and listen to the members around him, along with not going through the day focusing to end with no energy. We would like to especially thank alumni for funding the trip, as it would not have happened without their gracious donations.

CODY MOEHN: BEHIND THE SCENES ALL STAR

Our brother for Summer 2018 is Cody Moehn. Cody is a 2018 Phi Kap graduate from the University of Iowa . Mr. Moehn is from Burlington, Iowa and is a 2018 graduate who majored in Finance, along with Sports and Rec. Management. He now works with the Colorado Rapids MLS team. He chose this job

because he had a strong interest in the Denver area, along with a great connection with the boss. He believes that the MLS is moving in a great direction and wants to connect soccer with the American market, along with the Denver market. Overall, he absolutely loves his job. Cody says it is the hardest he has ever

worked, but there is nothing like seeing the memories being made by families as they watch games in the stadium.
